Every dog in unincorporated Lane County and the City of Eugene must obtain a license when one of two things occurs: 1) Either the dog reaches the age of six months, or 2) The dog obtains its permanent canine teeth, whichever comes first. Licensing revenue supports important LCAS programs that ensure the health and safety of the community.

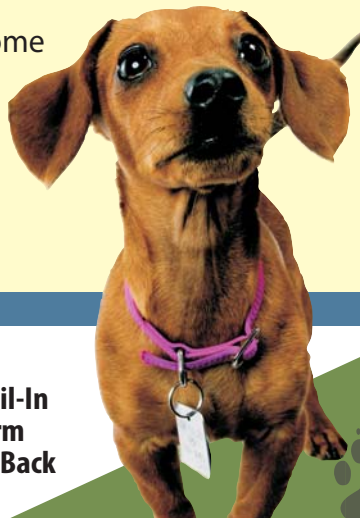

## How Do I Get a License?

Documentation is required to show that your dog has a current rabies shot unless specifically exempted for medical reasons, in writing, by a licensed vet. Proof of spayed or neutered animals qualifies your pet for a lower licensing fee.

**Online** Licensing or renewing your pet's license online takes just a few minutes. But remember, your pet must have a valid rabies vaccination. For more information on e-Licensing, go to <https://ecomm.lanecounty.org/EPets/>

**Mail** Send in renewal or licensing application (see back panel). Additional forms may be downloaded online at [www.lanecounty.org/Animals](http://www.lanecounty.org/Animals).

**In Person** Come by LCAS from 10 a.m. to 6 p.m., Tuesday through Friday, and from 10 a.m. to 5:30 p.m. on Saturdays.

It's your pet's  
phone call  
home!
