

RFP for Treatment Foster Care: Questions and Answers

1. Question: On p. 15, Section A, #2d asks for "Most current Annual Report Form and receipt" Can you please explain what this is? What should we do if we do not have such a document?

Answer: We are requesting a copy of your agency's annual report. Some agencies do this in a specific form. A specific form is not necessary. Please send the report that your agency uses.

2. Question: On p. 16. Section A, #3c asks for a description of how consumers provide input. Can you please define consumers?

Answer: Consumers are defined as youth and families that use the treatment foster care services and the DYS Juvenile Counselors that refer youth to the services.

3. Question: In the Evaluations section for Program Qualifications Section B, there is no evaluation indicated for question #9. Number 9 on the evaluations list is regarding the budget and cost-effectiveness, which is question #10. Is there a point determination for #9 or is it evaluated under the Evaluations list #7 regarding gender responsiveness and cultural competency?

Answer: The point determination for question #9 is included in the Evaluation under #7, which covers gender responsiveness and cultural competency.
